**Hildegard Knef –Remixed by Whirlpool Productions
Eric D. Clark - Justus Köhncke - Hans Nieswandt**

Alongside the production of Hans Nieswandt's album of Hildegard Knef remixes, the most fortunate of circumstances has led to a new collaboration between the legendary band Whirlpool Productions. More than ten years after their last album together, the trio consisting of Eric D. Clark, Justus Köhncke and Hans Nieswandt has teamed up to take on Knef's "Das ist Berlin".

This remix is flanked by Eric D. Clark's perspective on "Ich liebe euch," Justus Köhncke's rendition of "Und wenn ich wage dich zu lieben" and Hans Nieswandt's remix of "Ich schreib dir ein Buch".

Pressed in a limited vinyl edition, this may well be the prelude to more deeds to be instigated by these three meanwhile impeccably well ripened artists. A video for their Hildegard Knef remix is currently in progress under their direction...
