

# Camouflage

## Bodega Bohemia

24 May 2024

30th anniversary ltd. edition  
3-CD

Founded in the southern German city of Bietigheim-Bissingen by Heiko Maile, Oliver Kreyssig and Marcus Meyn in the year 1984, the band Camouflage scored an unexpected international hit with their debut album 'Voices & Images' in 1988. Their sophomore album 'Methods Of Silence', released just a year later, was an even bigger success. Songs like 'The Great Commandment' and 'Love Is A Shield', went on to become perennial classics of the synth pop genre. Heiko Maile and Marcus Meyn recorded their fourth album 'Bodega Bohemia' in the synthsound studio of Belgian producer and electro-pop pioneer Dan Lacksman. It was released on 26 April 1993.

To mark the 30th anniversary of the album, the band opened up the archives to assemble a special bonus edition including a wealth of rare and unreleased recordings, limited to 500 4-LP sets and 1,500 triple CDs.
